Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
40,004,785 s	**+892,871 s**	**-345,600 s**	**40,552,056 s**

Date	Description	Amount (s)	Balance (s)
04 Jan	ATM withdrawal: London Sector	-172,800	39,831,985
	A line showed this withdrawal twice, once when the request was made and once when the machine confirmed it. The first line has been struck. The machine asked twice, and you answered once. Ref. CIBT-2984-4BD6-5		
11 Jan	Payroll credit: Harbourfront Shipping	+214,255	40,046,240
	The credit from Harbourfront Shipping, sent through London Sector, was struck in days, rounded down to the whole, and converted at the rate posted for the day of the crossing. It was then kept on the lectern beside the rate board until the local morning arrived. Ref. CIBT-2984-2570-1		
11 Jan	ATM withdrawal: London Sector	-172,800	39,873,440
	The Teller counted the notes twice at the window, once for you and once because you had asked how many there were. The figure was the same both times, which she describes as the only pleasant surprise of the morning. Ref. CIBT-2984-D76F-2		
18 Jan	Deposit: Hall E	+545,267	40,418,707
	The quarter's sample included this deposit. The bag was weighed on the sealed scale, the count agrees with the slip, and the auditors have written nothing in the margin, which they say is the finding they most enjoy. Ref. CIBT-2984-4030-4		
31 Jan	Interest at 4.00% APY	+133,349	40,552,056
	The odd seconds from each month are gathered up and credited once a year, and the total is rounded to a figure ending in zero, for ease of reading. This year it came to 60 seconds. Ref. CIBT-2984-9F95-2		

Closing balance, month by month

Highest 40,552,056 s · lowest 28,736,889 s

February 2983 January 2984

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
