Period 1–31 March 2985
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
31,360,552 s	**+318,790 s**	**-1,266,143 s**	**30,413,199 s**

Date	Description	Amount (s)	Balance (s)
15 Mar	Payroll credit: Harbourfront Shipping	+214,255	31,574,807
	You take the Harbourfront Shipping credit in days rather than seconds, and pocket the coins at the window before the slip is signed. The officers have stopped asking whether this is intended and now count out your change in a different order. Ref. CIBT-2985-1D20-1		
19 Mar	Transfer to own account: Lagos Sector	-920,243	30,654,564
	You bring your sundry slips to the counter largest first, and the officer has learned to read them in that order rather than by date. The largest is the one that matters, you say, and the officer agrees, though she files the smallest on top. Ref. CIBT-2985-5EAD-1		
23 Mar	ATM withdrawal: Lagos Sector	-172,800	30,481,764
	You have never used the Lagos Sector machine on a wet day, though it is always open. The officers have noted the weather on your file, for the sake of completeness. Ref. CIBT-2985-A504-4		
23 Mar	ATM withdrawal: Lagos Sector	-172,800	30,308,964
	Two draws made on the 23rd at Lagos Sector, 16 minutes apart, were recorded as one, the machine having decided the second was a continuation of the first. The Bank has separated them and charged the second in full, out of respect for both. Ref. CIBT-2985-0C37-7		
23 Mar	Slippage fee (Lagos Sector, 1 transfers)	-300	30,308,664
	The internal audit found the schedule correct and the statement one edge out of line with it. The statement has been moved across, and the schedule, which was never at fault, has been left where it was. Ref. CIBT-2985-01BB-5		
31 Mar	Interest at 4.00% APY	+104,535	30,413,199
	For the auditors: interest on a balance this steady is expected to vary by no more than a second in the period, and this period it varied by none. The auditors have not commented, which they regard as their highest form of praise. Ref. CIBT-2985-038A-6		

Closing balance, month by month

Highest 40,179,629 s · lowest 30,413,199 s

April 2984 March 2985

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
