Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
38,009,048 s	**+889,690 s**	**-432,300 s**	**38,466,438 s**

Date	Description	Amount (s)	Balance (s)
04 Feb	Slippage fee (Phobos, 1 transfers)	-300	38,008,748
	Harbourfront Shipping sends its remittances a few seconds before the sum falls due, as a settlement habit, and each one is charged for the difference. The payroll office has asked us to say this is not a complaint about its punctuality, only about its enthusiasm. Ref. CIBT-2986-7420-2		
05 Feb	Deposit: Hall E	+548,739	38,557,487
	Harbourfront Shipping paid this deposit in sols and asked that it be shown in ours, so the figure on your statement is the one Harbourfront Shipping would see on its own books, converted to the second. Ref. CIBT-2986-3C1C-1		
08 Feb	Payroll credit: Harbourfront Shipping	+214,255	38,771,742
	The wages from Harbourfront Shipping include the allowance for the long shift at Phobos. It is paid in sols, and the employer has asked that it appear on its own line, so that the staff who earn it can find it without asking. Ref. CIBT-2986-8817-3		
08 Feb	ATM withdrawal: Phobos	-172,800	38,598,942
	The withdrawal was held 31 Standard days at Phobos while a second relay was found to confirm the first. The first had been confirmed by an operator who had since gone to another world, and the second confirmation came down the line within the hour. Ref. CIBT-2986-A5F5-8		
24 Feb	ATM withdrawal: Phobos	-259,200	38,339,742
	An earlier line showed this cash-time withdrawal as 259,200. The line has been amended to the figure on the receipt, and the balance is correct. Ref. CIBT-2986-2CC1-0		
28 Feb	Interest at 4.00% APY	+126,696	38,466,438
	The interest on this line was worked from the balance before a correction, and came out short by 43 seconds. The difference has been credited with a note that the earlier sum was the Bank's error, not yours. Ref. CIBT-2986-1E12-4		

Closing balance, month by month

March 2985 February 2986

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
