Opening balance	Credits	Debits	Closing balance
42,398,665 s	**+355,583 s**	**-1,542,977 s**	**41,211,271 s**

Date	Description	Amount (s)	Balance (s)
22 Dec	Payroll credit: Harbourfront Shipping	+214,255	42,612,920
	Your wage this month was rounded up to the whole day, the only month of the year in which the rule permits it. The 0.972 that was added has been taken off next month's credit, so the year still comes out to the figure in the contract, and nobody has been able to say that it does not. Ref. CIBT-2987-74D0-1		
26 Dec	Slippage fee (London Sector, 2 transfers)	-1,200	42,611,720
	You check the relay's board before every send. This morning it showed a drift of 0.30 seconds, and you sent anyway; the Bank records that as a considered choice. Ref. CIBT-2987-7642-9		
26 Dec	Transfer to own account: London Sector	-1,541,777	41,069,943
	A second copy of a statement that had gone astray in the post was charged at 0.30 s. The Teller remarked that the first copy was the one that had been mislaid, and that the second had been in her drawer all along. Ref. CIBT-2987-9CEC-8		
31 Dec	Interest at 4.00% APY	+141,328	41,211,271
	The interest on 8564-9495-9708 was credited on the first morning of the period. That is a little before the depositor's own first morning at London Sector, where the day begins 4 hours later. The depositor has made his own arrangements about the difference and has not complained of the early pay. Ref. CIBT-2987-3B31-5

January 2987 December 2987

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
