| Date | Description | Amount (s) | Balance (s) |
|---|---|---|---|
| 12 Nov | ATM withdrawal: The Belt | -172,800 | 28,455,236 |
| | Your receipt is folded in quarters before you leave the machine, a habit the custodian has noted on three service visits and has been unable to improve. The folds are kept with the statements, in order. Ref. CIBT-3002-28A1-7 | | |
| 20 Nov | Payroll credit: Harbourfront Shipping | +214,255 | 28,669,491 |
| | The relay at The Belt held the credit for 58 seconds while it waited for the Authority's reference signal to settle. The payment was not lost, only early and then late, and the Bank has settled the difference in your favour. Ref. CIBT-3002-862F-7 | | |
| 26 Nov | Transfer to own account: The Belt | -134,379 | 28,535,112 |
| | The sundry adjustment of 134,379 was agreed at the counter after a discussion of some length. The Teller's note records only that you were right, and that you were told so, which is the sort of entry the Bank would rather not have to make. Ref. CIBT-3002-21D5-7 | | |
| 27 Nov | ATM withdrawal: The Belt | -86,400 | 28,448,712 |
| | The withdrawal at The Belt posted 29 days before it was made, because the relay on that world sends its figures ahead of their hour. The receipt carries the right date, and the statement has been corrected to it. Ref. CIBT-3002-14CF-5 | | |
| 30 Nov | Interest at 4.00% APY | +95,426 | 28,544,138 |
| | The posting waited 29 days because The Belt begins its day 23 hours after ours, and the interest had to be seen to accrue in both. It had, throughout, and it is paid in full. Ref. CIBT-3002-5BA0-9 | | |
