| Date | Description | Amount (s) | Balance (s) |
|---|---|---|---|
| 02 May | ATM withdrawal: London Sector | -259,200 | 33,663,645 |
| | A withdrawal written as 259,200 and paid as 3 Standard days is one sum in two forms. The machine's rule and ours meet at the whole day and part there, neither having won the last fraction. Ref. CIBT-3003-F8E4-5 | | |
| 05 May | Payroll credit: Harbourfront Shipping | +214,255 | 33,877,900 |
| | The Teller has put a small cross beside the figure and written beside it, in pencil, "as expected". This is how she signs off the staff wages each month. Ref. CIBT-3003-DE48-3 | | |
| 08 May | ATM withdrawal: London Sector | -86,400 | 33,791,500 |
| | The fee was not taken on this withdrawal, the local machine having already charged the local office for the same minute. Two charges for one minute are one more than the Bank cares to bear. Ref. CIBT-3003-6FF7-7 | | |
| 16 May | Transfer to own account: London Sector | -465,187 | 33,326,313 |
| | The expense claim you filed from London Sector has been settled through Harbourfront Shipping, at the posted rate on the day it was approved, not the day you filed it. Ref. CIBT-3003-55B8-6 | | |
| 28 May | Slippage fee (London Sector, 3 transfers) | -900 | 33,325,413 |
| | The fee on this line was reckoned for 3 crossings where you made 28. A transfer that failed at the far side was logged as sent, then logged again as unsent. The count shown is the one that stands, and the fee for the unsent transfer has been returned. Ref. CIBT-3003-AE72-7 | | |
| 31 May | Interest at 4.00% APY | +113,076 | 33,438,489 |
| | A line on the 31st printed the balance before the last deposit. The interest was calculated on the correct balance, so the figure stands; only the printed balance was out of date, and it has been reissued with the day's date on it. Ref. CIBT-3003-D93A-9 | | |

*Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.*
