Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
51,651,997 s	**+386,428 s**	**-1,628,574 s**	**50,409,851 s**

Date	Description	Amount (s)	Balance (s)
04 Jan	Payroll credit: Harbourfront Shipping	+214,255	51,866,252
	The Harbourfront Shipping credit arrived on the same day as the previous three. The Teller has suggested, unasked, that it would save everyone trouble if your pay came the day after the contract's anniversary. The suggestion has been noted. Ref. CIBT-3019-C7B7-8		
10 Jan	Transfer to own account: Phobos	-1,450,374	50,415,878
	A sundry of 1,450,374 was raised against the Hall E desk for a document the desk now cannot find, and the desk has offered to charge for the search as well. The charge stands until the document turns up, which the desk expects to happen on the day it is no longer needed. Ref. CIBT-3019-8025-2		
14 Jan	Slippage fee (Phobos, 9 transfers)	-5,400	50,410,478
	The crossing was postponed 29 days because the far office had no spare second that week, every spare second having been booked for a Positive Contact desk ahead of yours. The desk paid its fee in full and has said it will not be delayed again. Ref. CIBT-3019-3D1E-2		
21 Jan	ATM withdrawal: Phobos	-172,800	50,237,678
	An instalment of 172,800 is drawn at Phobos on the 21st. It is the eleventh of its kind this year, the same sum each time, which is why the machine no longer asks you to check it. Ref. CIBT-3019-A75E-7		
31 Jan	Interest at 4.00% APY	+172,173	50,409,851
	The interest for 28 days was held up because the Rate Committee's table was printed in sols and had to be turned back into seconds by a clerk who was not sure which way the conversion ran. It ran the right way once it was checked, and the clerk has requested a column in the table to say which way. Ref. CIBT-3019-E666-6
