Period 1–31 January 3020
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
44,043,880 s	**+1,313,946 s**	**-347,400 s**	**45,010,426 s**

Date	Description	Amount (s)	Balance (s)
03 Jan	Slippage fee (Mars Station, 2 transfers)	-1,800	44,042,080
	A 31-day delay at Mars Station came from a dispute between two officers about which desk was first in the queue. The desk is now first, the queue is now shorter, and the fee is unchanged. Ref. CIBT-3020-9091-8		
14 Jan	ATM withdrawal: Mars Station	-172,800	43,869,280
	The receipt printed at Mars Station on the 14th, but the withdrawal was not recorded until 29 days later. The machine had been asked to hold its entries until the local day closed, and it did. The receipt also carries a second reference that belongs to an account with no holder's name; the custodian has filed it with the first. Ref. CIBT-3020-4A6E-7		
16 Jan	ATM withdrawal: Mars Station	-172,800	43,696,480
	You have used the 16th as your withdrawal day for many years, and the machine has been set to expect you. It opens its tray a minute before the hour, which the officer says it does for nobody else. Ref. CIBT-3020-4E1A-2		
21 Jan	Deposit: Hall E	+1,167,134	44,863,614
	Your deposit on the 21st was shown with the wrong branch code. The amount is correct, the funds were received at Hall E, and the code has been amended to say so. Ref. CIBT-3020-2052-8		
31 Jan	Interest at 4.00% APY	+146,812	45,010,426
	For the auditors: the balance, the rate and the number of days are printed in full on the reverse, so the figure can be rebuilt without the Bank's help. The auditors have tried it twice and asked for a third copy to check their own working. Ref. CIBT-3020-9EE8-8

February 3019 January 3020

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
