Opening balance	Credits	Debits	Closing balance
1,031,202,543 s	**+35,879,883 s**	**-319,997 s**	**1,066,762,429 s**

Date	Description	Amount (s)	Balance (s)
01 Jan	Payroll credit: Belt Ore Consolidated	+8,462,424	1,039,664,967
	A monthly sum of 8,462,424 from Belt Ore Consolidated is credited on the 1st as a travel allowance you have never claimed, and the payroll office has never once stopped paying it. It is held in 8564-9380-4855, and nothing has been drawn from it. Ref. CIBT-3003-D540-9		
08 Jan	Slippage fee (New Orleans Sector, 9 transfers)	-8,100	1,039,656,867
	The fee of 0.30 s on the 8th transfer was shown as the fee for 9 crossings. It was the fee for one. The other crossings were free, and the line has been reworded so that the statement adds up without them. Ref. CIBT-3003-C4AF-2		
08 Jan	Turbulence Cover	-15,930	1,039,640,937
	The Europa crossing runs under the ice for the first 31 Standard days of each journey, during which the policy pays no delay, since nothing above the ice can be seen to be late. The premium is reduced for the period. Ref. CIBT-3003-5C22-8		
10 Jan	Temporal Health Plan	-36,767	1,039,604,170
	The premium paid by Belt Ore Consolidated under your contract of service is shown here for information. The part you pay personally is the figure on the last line, rounded to the nearest second. Ref. CIBT-3003-C6CC-3		
15 Jan	ATM withdrawal: New Orleans Sector	-259,200	1,039,344,970
	Belt Ore Consolidated keeps a machine at its dock for staff paid before the end of a shift, and this withdrawal was of wages already credited to you. The Bank does not charge twice for money that was owed to you in the first place. Ref. CIBT-3003-9A7E-4		
26 Jan	Deposit: Hall E	+23,808,251	1,063,153,221
	A deposit was keyed on the day the envelope was sealed and again on the day it was counted, so the same sum appeared twice in one week. The line was corrected under the heading the error had belonged to, and the sum is credited once, on the earlier date. Ref. CIBT-3003-917C-6		
31 Jan	Interest at 4.20% APY	+3,609,208	1,066,762,429
	You have asked the Teller to read the interest figure aloud at every visit since 3001. She reads it, you nod once, and the figure goes into your own book in your own hand. The nod is noted on the counter's copy of the statement and nowhere else. Ref. CIBT-3003-C0BF-9		

Closing balance, month by month

February 3002 — January 3003

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
