Date	Description	Amount (s)	Balance (s)
01 Dec	ATM withdrawal: Tallinn Sector	-172,800	10,659,781
	A Positive Contact client at Tallinn Sector draws against a sum that is not in seconds at all, and the machine converts it on the way out. The conversion is printed on the receipt in a notation the Bank has been asked not to explain. Ref. CIBT-3003-3143-1		
14 Dec	Slippage fee (Tallinn Sector, 7 transfers)	-4,200	10,655,581
	The fee on your statement was printed in minutes where the relay's tally says seconds. The tally has been checked by hand. The officer found the printed figure correct in the relay's unit and wrong in ours, and the statement now shows the fee in seconds only. Ref. CIBT-3003-6AF6-1		
18 Dec	Transfer to own account: Tallinn Sector	-329,481	10,326,100
	The sundry on the 18th was posted to your account with the wrong branch name on it, though the right name was on the slip. The name has been changed. The fee came from the right account, and nothing has moved except the word. Ref. CIBT-3003-EA43-5		
22 Dec	Transfer to joint account	-88,485	10,237,615
	The conversion charge on the joint balance, 0.30 s, was not taken. The holders asked for the sum in days by letter, and the Bank does not bill for reading a letter. Ref. CIBT-3003-1505-1		
31 Dec	Interest at 4.30% APY	+38,816	10,276,431
	The depositor asked what the interest would be if the balance were left alone for a century. The clerk said it would be a great deal more interest, and that she would not be taking the question to the Rate Committee without a form. Ref. CIBT-3003-DF9B-9

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
