Opening balance	Credits	Debits	Closing balance
443,074,956 s	**+5,631,077 s**	**-1,986,249 s**	**446,719,784 s**

Date	Description	Amount (s)	Balance (s)
16 Jan	Payroll credit: the Europa Ice Authority	+4,191,084	447,266,040
	The payroll audit asks for unclaimed wage credits to be listed against each employee. Yours, dated the 16th, was kept behind the rubber stamps, in a paper wrapper until you claimed it, and the line is now closed. Ref. CIBT-2995-EDFE-3		
16 Jan	ATM withdrawal: Luna	-172,800	447,093,240
	Your monthly withdrawal rises by 0.971 of a day each year, a rise you asked for in 2993. The machine has applied it without comment since, and has never once needed reminding. Ref. CIBT-2995-60F6-3		
24 Jan	ATM withdrawal: Luna	-259,200	446,834,040
	You draw 3 Standard days and then send a note to the branch asking whether the sum was correct. The file says the answer is always yes, that you know this, and that you ask anyway. Ref. CIBT-2995-5B74-3		
28 Jan	Transfer to own account: Luna	-1,549,749	445,284,291
	This charge was worked out to four places and rounded to the whole second, as the rule requires for anything under one day. The rounding came out 23 seconds in the Bank's favour, and the Bank has kept them. Ref. CIBT-2995-C3EB-0		
30 Jan	Slippage fee (Luna, 5 transfers)	-4,500	445,279,791
	The fee is rounded to the nearest whole second on crossings made before noon and to the nearest five after lunch, a practice adopted to match the habits of the staff who key them. The difference is carried under Reconciliation Differences. Ref. CIBT-2995-8746-4		
31 Jan	Interest at 3.90% APY	+1,439,993	446,719,784
	The rate of 3.90% APY was applied to the balance, and the result rounded down to the nearest whole second, in the depositor's favour. A fraction of a second is not shown on the statement; it is kept in the Bank's books for the depositor's use. Ref. CIBT-2995-2647-8		

Closing balance, month by month

February 2994 January 2995

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
