| Date | Description | Amount (s) | Balance (s) |
|---|---|---|---|
| 09 Feb | ATM withdrawal: New Orleans Sector | -172,800 | 167,692,841 |
| | Kepler Ring Hydroponics has asked that its staff's cash-time be drawn in a single sum on the first day of the month. You are the only member of staff who has asked the machine to split it, and it has agreed, on your account, twice. Ref. CIBT-3024-8887-4 | | |
| 16 Feb | Turbulence Cover | -17,341 | 167,675,500 |
| | You pay the premium a little early each month, on the grounds that you may not be travelling on the due day. The early payment is credited to the next month, and the Bank is glad to see the arrangement used. Ref. CIBT-3024-AD1C-0 | | |
| 19 Feb | Payroll credit: Kepler Ring Hydroponics | +863,708 | 168,539,208 |
| | The wage arrived in one lump, as the employer asked, and the Teller has written in the margin: one lump, not two, please note the lump. Ref. CIBT-3024-14D4-2 | | |
| 20 Feb | Transfer to own account: New Orleans Sector | -6,639,907 | 161,899,301 |
| | The sundry from New Orleans Sector came 28 days late, because the sender chose the slow route on purpose. The sender preferred the lower charge to the quicker post, and was not disappointed. Ref. CIBT-3024-878A-3 | | |
| 28 Feb | ATM withdrawal: New Orleans Sector | -86,400 | 161,812,901 |
| | Asked the reason for this withdrawal, the cashier said she had no reason to know, and that you seemed like someone who would not need one. Ref. CIBT-3024-A0DC-9 | | |
| 29 Feb | Interest at 4.90% APY | +685,451 | 162,498,352 |
| | The fee on this period has been waived, because your balance dropped below the level at which the Bank charges for one afternoon and returned before the close. The Bank does not charge for a balance that was only small for a short while. Ref. CIBT-3024-6716-3 | | |
