Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
159,210,202 s	**+1,527,276 s**	**-12,408,688 s**	**148,328,790 s**

Date	Description	Amount (s)	Balance (s)
03 Jul	Payroll credit: Kepler Ring Hydroponics	+863,708	160,073,910
	Kepler Ring Hydroponics asks that its pay advice carry the staff number in the margin rather than at the head, a request the Bank accepts without knowing why. The sums are correct, and the margin is where the firm keeps its numbers. Ref. CIBT-3027-67C2-0		
03 Jul	New Time™ exchange	+13,460	160,087,370
	Your recall was delayed 29 days because the freight from Montréal Sector carried the holding under the wrong seal. The seal was broken at the sorting shed, read, and found to be the holder's own, so the holding went on to the counter without further ceremony. Ref. CIBT-3027-F824-2		
06 Jul	Transfer to own account: Montréal Sector	-12,149,488	147,937,882
	Transfer to your own 8564-9809-0708 at Montréal Sector, sent on the first working day of every quarter since 3026, as instructed and without remark. Ref. CIBT-3027-9604-5		
18 Jul	Memory Vault: box 22-283, quarter	-259,200	147,678,682
	The quarter's inventory for box 22-283 arrived 30 Standard days late. The lift carrying it from the Callisto sub-level stopped at every floor to let the courier off, and the courier, who had not been told to hurry, did not. The rent is charged from the first day of the quarter all the same. Ref. CIBT-3027-D5B0-9		
31 Jul	Interest at 4.90% APY	+650,108	148,328,790
	Each month you leave the interest lie and draw out the principal in the same hour. The officer at Hall E calls it a withdrawal with a receipt for the balance. Ref. CIBT-3027-423B-3

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
