Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
633,097,831 s	**+39,883,016 s**	**-1,818,924 s**	**671,161,923 s**

Date	Description	Amount (s)	Balance (s)
05 Feb	Transfer to joint account	-1,814,424	631,283,407
	Each month you check the joint balance against Kesi Bellweather's figure in the margin of the statement, and each month the two agree to the second. The officer now writes both figures out for you, which saves you the trouble of asking. Ref. CIBT-3023-09C4-4		
07 Feb	Deposit: Hall E	+35,117,956	666,401,363
	Every envelope you bring in is sealed in the same order you sealed the one before, and the order is written on the back of the statement where anyone may check it. The officers have stopped checking and simply initial the foot. Ref. CIBT-3023-3395-2		
13 Feb	Slippage fee (Bronx Sector, 5 transfers)	-4,500	666,396,863
	You fold the slip once, lengthwise, and slide it into the back of the passbook without reading the total, as you have done every month since 3021. The officer reads the total for you and then folds the passbook back, so that each of you has done one half of the job. Ref. CIBT-3023-A19C-8		
22 Feb	Payroll credit: the Authority Records Office	+3,024,041	669,420,904
	The wage from the Authority Records Office lands at Hall E a few minutes before the business day opens, and the same officer logs it every month. The Bank has noticed the pattern and has not thought it needed a name. Ref. CIBT-3023-AA2B-6		
28 Feb	Interest at 3.30% APY	+1,741,019	671,161,923
	For the auditors: the interest on this account for 3022 was reconciled to the ledger on the 28th, and the reconciliation agreed to the second in both directions. Ref. CIBT-3023-7CC9-6		

Closing balance, month by month

March 3022 February 3023

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
