| Date | Description | Amount (s) | Balance (s) |
|---|---|---|---|
| 01 Jun | ATM withdrawal: Kepler Ring | -86,400 | 699,627,153 |
| | The withdrawal left Kepler Ring before its clock had turned over, so the Bank has paid one extra turn-second to balance the day. It is shown on the line and is the only one owed there this year. Ref. CIBT-3023-D5A2-6 | | |
| 02 Jun | Transfer to joint account | -1,814,424 | 697,812,729 |
| | Once a year, on the 2nd, the joint account sends a single payment of 1,814,424 to 8564-3635-9421, recorded as a payment rather than a transfer. Both holders have asked that it be recorded that way. Ref. CIBT-3023-41CD-6 | | |
| 09 Jun | Payroll credit: the Authority Records Office | +3,024,041 | 700,836,770 |
| | The wage for 29 Standard days, converted at Kepler Ring and credited here with no exchange charge, since the exchange was shut on the day and the Bank does not charge on a day its exchange has kept closed. Ref. CIBT-3023-D4CE-6 | | |
| 09 Jun | Slippage fee (Kepler Ring, 9 transfers) | -8,100 | 700,828,670 |
| | You time each crossing on your own watch and write to the relay with the gap. The relay has never once been wrong about its own clock, and has come to accept your figures as a courtesy to itself. Ref. CIBT-3023-2097-0 | | |
| 12 Jun | Deposit: Hall E | +2,189,431 | 703,018,101 |
| | Every first Thursday a deposit of 2,189,431 is made in a brown envelope, on which the holder has written the same figure since 3021. The envelope is stamped, collected and handed back to the holder empty, and the holder keeps it. Ref. CIBT-3023-2DFA-3 | | |
| 17 Jun | Turbulence Cover | -23,267 | 702,994,834 |
| | You ask the teller at each premium whether the policy has ever paid out on a turbulent day. She tells you it has not. You say that is what you thought. The counter has come to rely on this exchange as the fixed point of the month. Ref. CIBT-3023-D311-7 | | |
| 30 Jun | Interest at 3.30% APY | +1,924,212 | 704,919,046 |
| | The interest is credited on the 30th by standing instruction from the joint account. The instruction is renewed each year by both holders' signatures, and each year the two signatures agree, which is the important part. Ref. CIBT-3023-BFBA-7 | | |

July 3022 June 3023

*Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.*
