Date	Description	Amount (s)	Balance (s)
08 Feb	Transfer to joint account	-1,814,424	609,460,045
	A joint account held partly on Montréal Sector keeps two local days: one holder's day begins at the local dawn, the other's at midnight on St. Catherine Street. The statement prints both, one above the other, and the interest falls in the gap between. Ref. CIBT-3025-2DD0-6		
09 Feb	Transfer to own account: Montréal Sector	-2,150,710	607,309,335
	Your sundry charge for days has been paid in a sewing tin with its thimble still inside, which the Teller has agreed to count and return without ceremony. The sum is 13 units. The container stays at the counter for next time. Ref. CIBT-3025-54A6-6		
13 Feb	Payroll credit: the Authority Records Office	+3,024,041	610,333,376
	The administration charge on a wage paid in days has been waived for the Authority Records Office, which asked the Bank to note that its staff have never once been charged for being paid. Ref. CIBT-3025-6783-8		
28 Feb	Interest at 3.30% APY	+1,681,004	612,014,380
	You withdraw the interest the moment it posts and put the same sum back by the next morning. The Bank records this and does not discourage it. This month the sum went back in at Montréal Sector, a branch you had not used before. Ref. CIBT-3025-50CA-5

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
