Opening balance	Credits	Debits	Closing balance
552,443,894 s	**+1,519,220 s**	**-26,549,706 s**	**527,413,408 s**

Date	Description	Amount (s)	Balance (s)
03 Jun	Transfer to joint account	-1,814,424	550,629,470
	The joint balance was reconciled against a recipe card that one holder keeps in a biscuit tin. The card's figures and the Bank's agree to the second, which the auditors describe as the first recipe they have ever checked that came out exactly. Ref. CIBT-3025-253D-4		
08 Jun	ATM withdrawal: Mars Station	-86,400	550,543,070
	The Authority Records Office asked that its staff's withdrawals be kept off the statement and grouped under one heading, and the Bank agreed. Your share on the 8th was One Standard day and appears under that heading with the others. Ref. CIBT-3025-7606-3		
17 Jun	Turbulence Cover	-25,880	550,517,190
	The premium is taken from 8564-9990-1663 on the 17th of every month the carrier runs the route. Since 3023 that has been every month except the one of the great shutdown, when the premium was taken anyway and returned. Ref. CIBT-3025-2890-3		
17 Jun	Transfer to own account: Mars Station	-24,622,402	525,894,788
	The adjustment was made at the request of a customer standing at the window, whose instruction the officer has recorded as "please, if it is no trouble". It was no trouble. Ref. CIBT-3025-43AB-6		
18 Jun	Slippage fee (Mars Station, 1 transfers)	-600	525,894,188
	You have started sending a small transfer the moment the Mars Station relay opens, ahead of the day's larger crossings. The rest of the day then goes through with less argument, and the officer on the counter has written this down as a sensible habit. Ref. CIBT-3025-4528-3		
30 Jun	Interest at 3.30% APY	+1,519,220	527,413,408
	The Authority Records Office deposits its staff bonus into your savings in sols and asks the Bank to pay the interest on it in the same unit, which the firm says is more dignified. The Bank has paid in sols, and the firm has reported the dignity to its board. Ref. CIBT-3025-42F9-1		

Closing balance, month by month

July 3024 June 3025

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
