Date	Description	Amount (s)	Balance (s)
05 Mar	ATM withdrawal: Kepler Ring	-86,400	579,848,908
	The Authority Records Office has put its own cash point on the same concourse, and its staff queue at yours on the first working day. The machine treats them all alike, which the firm finds hard to forgive. Ref. CIBT-3026-55BD-3		
05 Mar	Deposit: Hall E	+44,523,349	624,372,257
	The Teller says that in all her years at the window she has been surprised by a great many people and by almost no envelopes at all. This one was no exception, and the sum on it was right. Ref. CIBT-3026-B7DC-9		
09 Mar	Transfer to joint account	-1,814,424	622,557,833
	The statement had printed the holders' names in reverse order. The mandate lists them as they were written, and the statement now does the same, with the first name back in front and the second where it was first written. Ref. CIBT-3026-3495-6		
17 Mar	ATM withdrawal: Kepler Ring	-86,400	622,471,433
	The Authority Records Office asks that its share of your withdrawal be recorded as a loan to you rather than a payment from you. The Bank has recorded it in pencil, to be checked at the year's end. Ref. CIBT-3026-D214-2		
26 Mar	Payroll credit: the Authority Records Office	+3,024,041	625,495,474
	The Authority Records Office has paid 3,024,041 into 8564-9990-1663 on the last working day of every month since 3022. The sum has not varied by more than the odd second, which the payroll office calls its contract with time. Ref. CIBT-3026-B12D-6		
31 Mar	Interest at 3.30% APY	+1,594,822	627,090,296
	The Ceres branch counts its interest in lengths of the asteroid's own day, and converts the total to ours on the morning the day ends. The conversion is printed in small type beside the sum, and you have read it every month without remark. Ref. CIBT-3026-89D4-6

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
