Opening balance	Credits	Debits	Closing balance
690,949,453 s	**+9,654,936 s**	**-1,918,096 s**	**698,686,293 s**

Date	Description	Amount (s)	Balance (s)
01 Sep	Deposit: Hall E	+4,730,785	695,680,238
	A fortnightly sum comes in from Kesi Bellweather, with a note of a few words. This fortnight's note was the same length as the last, and the officer has stopped reading it aloud. Ref. CIBT-3026-E021-9		
06 Sep	Transfer to joint account	-1,814,424	693,865,814
	Reconciled against both holders' own books, the joint account agrees to the second. The books also agree with each other, which is recorded as a matter of fact rather than a finding. Ref. CIBT-3026-E649-5		
09 Sep	Payroll credit: the Authority Records Office	+3,024,041	696,889,855
	The Authority Records Office wage was held 30 days while the timesheet was moved from the week before to the week it described. The wage was then paid for the right week, and the week before was paid for nothing, which the firm regards as a clean finish. Ref. CIBT-3026-C181-4		
09 Sep	ATM withdrawal: Titan	-86,400	696,803,455
	The receipt for One Standard day carries the previous day's date. The machine's clock was a day slow that week and has been corrected at the next service. The date on the receipt matches the machine, so the statement follows it. Ref. CIBT-3026-F40E-2		
24 Sep	Turbulence Cover	-17,272	696,786,183
	No surcharge is levied on the cable car in the weeks it is out for inspection, since an inspected car cannot be turbulent, and the underwriter has written this down as a principle. Ref. CIBT-3026-05A9-6		
30 Sep	Interest at 3.30% APY	+1,900,110	698,686,293
	Interest on your term deposit posts every 30 days and compounds, so each posting is a little larger than the one before. This month's is 1,900,110, the largest so far. Ref. CIBT-3026-2C0C-5		

Closing balance, month by month

Highest 698,686,293 s · lowest 523,431,210 s

October 3025 September 3026

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
