Date	Description	Amount (s)	Balance (s)
02 Nov	Slippage fee (Venus, 5 transfers)	-3,000	451,099,159
	The Authority Records Office sends its payroll through Venus in a single burst at the start of the month, so your 5 crossings of its pay were charged as one, and the fee on them appears as a single line. The fee of 3,000 s is the price of being paid all at once. Ref. CIBT-3027-4E23-6		
06 Nov	ATM withdrawal: Venus	-172,800	450,926,359
	2 Standard days withdrawn at the Automated Temporal Machine at Venus, dispensed as days. The machine dispensed 0.953 day and printed a receipt for 1.000; it reported the shortfall itself, and the difference will be returned in the next cycle unless you tell us otherwise. Ref. CIBT-3027-B02D-6		
11 Nov	Payroll credit: the Authority Records Office	+3,024,041	453,950,400
	The Authority Records Office closes for its founder's day each year, and the wages that would have arrived on it are sent the day after. They arrived the day after, and the Bank has been asked to say that this is the employer's custom, not a lapse. Ref. CIBT-3027-4925-6		
13 Nov	Turbulence Cover	-22,463	453,927,937
	Turbulence on the Venus run is measured by a gauge on the quay, read over the sound of a stamp being struck twice, and reported in days. The claims desk converts the reading to minutes and back again for the file. The gauge has never disagreed with itself. Ref. CIBT-3027-D085-9		
17 Nov	Transfer to own account: Venus	-27,004,774	426,923,163
	The sundry credit of 27,004,774 was entered to the wrong account. It was meant for the depositor who lost a key, and the key has since been found; the credit is returned to the depositor, and the key to nobody in particular. Ref. CIBT-3027-B2DF-8		
23 Nov	Transfer to joint account	-1,814,424	425,108,739
	For the auditors: rounding on the joint account over 7 years comes to four seconds in total, all of them in the holders' favour. The Bank has written it against its own rounding and not theirs. Ref. CIBT-3027-264C-7		
30 Nov	Interest at 3.30% APY	+1,240,530	426,349,269
	The rate on this account has not moved since 3024. The Bank regards this as a sign of confidence, and the account regards it as a sign of something else. Ref. CIBT-3027-E5D5-7
