Date	Description	Amount (s)	Balance (s)
19 Oct	Transfer to own account: Callisto	-23,292,662	533,951,202
	The quarterly sundry for the pens kept at the Hall E counter is charged to whoever signed the slip last. This quarter it was you, at 0.30 seconds, which the officers consider fair for pens that have never once run out. Ref. CIBT-3029-6C9C-1		
20 Oct	Memory Vault: box 15-637, quarter	-259,200	533,692,002
	A second rental on box 15-637 arrived for three quarters running, with no name on the remittance. The Vault has been asked to treat it as a gift and has treated it as a rental, which is less trouble for everyone. Ref. CIBT-3029-000D-8		
22 Oct	Transfer to joint account	-1,814,424	531,877,578
	The two of you stand a little apart at the counter during the transfer, each reading the figure without looking at the other. The officer was asked to arrange the counter so that you could stand closer, and declined on the grounds that it would be unfair to the next queue. Ref. CIBT-3029-B314-4		
24 Oct	Payroll credit: the Authority Records Office	+3,024,041	534,901,619
	Pay for 31 days' work on Callisto, converted at the posted rate on the day it was paid, not the day it was earned. Ref. CIBT-3029-ECDF-0		
26 Oct	Turbulence Cover	-10,739	534,890,880
	A premium of 58 seconds has been charged on this policy every month for 6 years. It is the same figure each time. The Bank can say where the money is held; it cannot say what for. Ref. CIBT-3029-5070-0		
31 Oct	Interest at 3.30% APY	+1,532,420	536,423,300
	The fee on this line has been waived. The account was closed for an hour on the 31st for a change of mandate, and the interest was credited in that hour, which the Bank does not count as a day for charging purposes. Ref. CIBT-3029-B517-9

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
